

Curriculum Vitae

DONALD NORRIS REED, JR., M.D., FACS

ADDRESS: 12530 Lebanon Rd. Ste. 205, Frisco, TX
Title: Chairman of Surgery, Texas Health Resources - Plano
Formerly, Clinical Professor of Surgery (Indiana University)
Clinical Professor Education, Dept. of Surgery, University of Cincinnati
Professor of Surgery, Michigan State University College of Human Medicine

Phone: 214-269-5353
Website: <https://www.drdonaldreed.com/>

PLACE OF BIRTH: Flint, Michigan
CITIZENSHIP: USA
MARITAL STATUS: Married
Children: Daughter (Denver) born 04-10-85
Son (Austin) born 09-20-87

CURRENT POSITION(S): Chairman of Surgery, THR- Plano Member, North TX Access Surgeons. Attending Surgeon at Medical City Dallas/Arlington/Denton, Baylor University Medical Center, BSW Grapevine/Frisco/Plano, THR Dallas/Plano/Allen/Frisco, Medical City Plano & Frisco, Methodist Hospital for Surgery, Methodist Dallas/Southlake/McKinney Medical Centers, Crescent Medical Center, Eminent Surgical Center, Baylor Surgical Hospital Fort Worth, Med City Ft. Worth

EDUCATION/DEGREES:

Secondary: E.A. Johnson Memorial High School, Mt. Morris, MI.
Graduated with Honors (3.604 GPA), June 1974.
Undergraduate: University of Michigan, BS degree in Biochemistry
awarded with High Distinction (3.904 GPA), June 1977.
Medical School: University of Michigan Medical School
MD degree awarded June 1981, Ann Arbor, MI.

POSTGRADUATE TRAINING

Internship: St. Joseph Hospital & McLaren General Hospital,
(Rotating PGYI), 1981-82, Flint, MI.
Residency: General Surgery, McLaren General Hospital,
1982-1986, Flint, MI.
Fellowships: Trauma/Surgical Critical Care, Allegheny General Hospital, Pittsburgh,
PA, July 1986 - January 1987
[Interventional Endoscopy \(& HPB Surgery\) Fellowship, University of
Louisville, Louisville, KY, 1998-99.](#)
[Anterior Spinal Access Surgery, Dallas, TX 2018-2019](#)

MEDICAL LICENSURE:

Michigan (permanent), No. 4301044897
Indiana (permanent), No. 0I037249A
Texas (permanent), No. M5465
Colorado (permanent), No. DR.0061163

PROVIDER NUMBERS: UPIN: 1164662805 NPI: 1225076078 & 1316434384
Medicare 260690A4 IN Medicaid: 200876730 OH Medicaid: 0122745

QUALIFICATIONS: Diplomate, National Board of Medical Examiners, 1982.

CERTIFICATION: Diplomate, American Board of Surgery, 18 May 1987, No. 032348

First Recertification, 21 October 1994
Second Recertification, 08 December 2005
Third Recertification, 08 December 2015

Subspecialty Board Certified, Added Qualifications in Surgical Critical Care,
American Board of Surgery, 26 October 1990, No. 000618.

First Recertification, 22 October 1999
Second Recertification, 01 October 2010
Third Recertification, 31 October 2021

MILITARY EXPERIENCE: Commissioned as Lt. Colonel, MC, USAR on 15 July 2003.

Served with the 948th FST, 330th Med Bde 2003-2004; OBC @ Ft. Sam Houston, San Antonio, TX, Dec. 2003; Activated for duty in OIF II on 07-15-04; Served with the 67th Task Force in Iraq, including both the 67th CSH on FOB Diamondback in Mosul and with 1st Infantry Division on FOB Warrior in Kirkuk; from 07-28-04 to 11-03-04; released from active duty 11-23-04. Trauma training with 932nd FST at KCHC in August 2005. Served with 325th CSH in support of 4th BCT of 82nd Airborne Division at Ft. Polk, November 2006. CRC at Ft. Bliss, El Paso, TX Nov. 2007. Served with the 325th CSH on COB Speicher in Tikrit, Iraq from 11-10-08 to 02-07-08, and released from Active Duty 02-24-08. Separated 01 December 2011.

PROFESSIONAL SOCIETIES:

YEAR ELECTED

American College of Surgeons	1990
Midwest Surgical Association	1988
Soc. of Am. Gastro. Endosc. Surgeons (SAGES)	1988
Mich. Chapter, American College of Surgeons	1990
Society of Critical Care Medicine	1990
Michigan State Medical Society	1987

Eastern Association for the Surgery of Trauma (EAST)	2000
Central Surgical Association	2001
American Association for the Surgery of Trauma (AAST)	2001
Int'l Hepatobiliary and Pancreatic Surgery Association	2003
American HepatoPancreatico& Biliary Tract Association	2008
Indiana Chapter, American College of Surgeons' Council	2009
Society of Surgical Oncology	2010
Southeastern Surgical Congress	2012
North Texas Chapter, American College of Surgeons	2018
Society of Spinal Access Surgeons	2019

HONORS: National Honor Society; U of M Regents Alumni Scholar; U of M Dean's List - Class Honors, 1975; James B. Angell Scholar - 1976 & 1977; Brownell Technical/Clinical Research Award, 1984; **Fellow, American College of Surgeons, 1990; Young Surgeon's Award, ACS-04/96 (MI Chapter Co-Recipient);** First place (co-recipient), MSU 14th Annual Surgical Research Day (presented by resident); First place, MSU 23rd Annual Surgical Research Day (presented by student); Clinical Research Award, IN Chapter, American College of Surgeons Annual Meeting, April 28th, 2012 (presented by a student). Two research awards, IN Chapter, American College of Surgeons, April 17th, 2015 (presented by students). **American College of Surgeons Academy of Master Surgeon Educators – elected 2018. Texas Top Doc – elected 2021.**

MEDALS: Global War on Terrorism; National Defense Service Medal; Iraq Campaign Medal; Army Service Ribbon; Overseas Service Ribbon; AAST Medal for Surgical Services in Combat; Army Service Medal; Armed Forces Reserve Medal; Army Commendation Medal.

FACULTY APPOINTMENTS:

Instructor in Surgery, Michigan State University College of Human Medicine, 1985-1986
Assistant Clinical Professor, Department of Surgery, Michigan State University College of Human Medicine, 1987-1998

Lecturer, Dept. of Surgery, University of Louisville, 1998-1999

Assistant Professor of Surgery, Michigan State University, 1999-2001; Associate Professor of Surgery, Pediatrics & Human Development, 2001 - 2004;

Professor of Surgery, Michigan State University, 01 November 2004 - 2007;

Clinical Professor of Surgery, Indiana University School of Medicine – Fort Wayne, 2009 – 2019
Surgical Clerkship Site Coordinator/Supervisor, Indiana University School of Medicine – Fort Wayne 2013-to-2018

Clinical Professor of Education, Department of Surgery, University of Cincinnati School of Medicine, Cincinnati, OH January 2015 – December 2018

ATLS IN State Faculty (2013-2018)

REVIEWER FOR THE FOLLOWING JOURNALS (past and present):

AMERICAN JOURNAL OF SURGERY

WORLD JOURNAL OF SURGERY

AMERICAN SURGEON
SURGICAL LAPAROSCOPY, ENDOSCOPY & Percutaneous Techniques
LIVER INTERNATIONAL
ONCOTARGET

NON-FACULTY APPOINTMENTS

Board of Directors, Genesee County Free Medical Clinic, 1995
Board of Directors, Michigan Society of General Surgeons, 1996, President, 1997
Council Member, 1995-1996, Michigan Chapter American College of Surgeons
Recording Secretary, 1996-97, Flint Academy of Surgery
Surgical Expert, State of Michigan, Department of Consumer and Industry Affairs, 2000 – 2007
Council Member, 2014-to-2018, Indiana Chapter, American College of Surgeons
Board of Directors, Rehabilitation Hospital of Fort Wayne, 2016 – 2017
Board of Directors, Society of Spinal Access Surgeons, 2019 – to - date
Council Member, North TX Chapter, American College of Surgeons, 2019- to –date Vice
Chairman, Dept. of Surgery, Texas Health Resources – Plano, 2021 – 2023.

CERTIFIED INSTRUCTOR

Advanced Trauma Life Support, 1987.
Re-certified ATLS Instructor (updates in 1996, 1997, 1999, 2003, 2007, 2011, 2015, 2019)
Fundamentals of Critical Care Support Course
ATLS Student Course Director, 2010
ATLS Instructor Course Instructor, 2011
ATLS Instructor Course Director, 2012

CERTIFIED PROVIDER

BLS, 2006-2008; 2017-2019
ACLS, 2007-2009-2011-2013; 2017-2019
PALS, 2007-2009-2011-2013

ORIGINAL INVENTIONS/COPYRIGHTS/PATENTS/ETC

- 1) Reed-Seven Self Retaining Retractor; manufactured by Codman & Shurtleff, Inc., Randolph, MA CD-10032, 1983.
- 2) THE CODE CARD, copyright 1983.
- 3) Sports Quest, copyrights 1984, 1988.
- 4) Reed Patient Safety Device, patent awarded 09/02/2014, **US Pat 8,823,529**
- 5) Reed Patient Safety Device, v2.0, patent awarded 08/04/15, **US Pat 9,098,993**

WORK EXPERIENCE

Private Practice, General Surgery, Flint, MI 01/87 – 09/98
Trauma Medical Director, McLaren Regional Medical Center's Level II trauma center, Flint, MI 1997 – 2004
HPB/Endoscopy Fellow, University of Louisville, Louisville, KY 09/98 – 08/99

Trauma Attending Surgeon, University of Louisville's Level I trauma center, 12/98 – 06/99
Trauma and General Surgery, Flint, MI 09/99 – 06/04
Trauma Surgeon, United States Army Reserve, Operation Iraqi Freedom, 07/04 -11/04
Professor of Surgery, Michigan State University, East Lansing, MI 11/04 – 06/07
Trauma Medical Director, Lutheran Hospital's Level II trauma center, Fort Wayne, IN 06/07-11/17
Trauma Surgeon, United States Army Reserve, Operation Iraqi Freedom, 11/07 – 02/08
Trauma & Acute Care Surgeon, Fort Wayne, IN 11/17-04/18;
Trauma, Acute Care Surgery and Anterior Spinal Access, Dallas Surgical Specialists, Dallas, TX 04/18-to-date.
Currently, Chairman, Dept. of Surgery, THR- Plano and Attending Surgeon, North TX Access Surgeons, Plano, TX.

RESEARCH EXPERIENCE

- First Project (undergraduate): National Science Foundation Grant for Cancer research at the University of Michigan, Ann Arbor, MI 1976.**
- Resident Research: Streptokinase investigation using laboratory rats, McLaren Regional Medical Center microvascular laboratory, Flint, MI 1983.**
- Large Animal Research projects: (1) Minimally-invasive laparoscopic surgery in a porcine model, University of Louisville, Price Institute of Surgical Research, Louisville, KY 1999; (2) minimally invasive endoscopic research project in a canine model at the College of Veterinary Medicine, Michigan State University, MI 2005.**
- Basic Laboratory Projects: Pancreatic stem-cell research at MSU with J.E. Trosko, Ph.D. and C.C. Chang, Ph.D. (in the Dept. of Pediatrics and Human Development), Mei-Hui Tai Ph.D. and L. Karl Olson, Ph.D. (in the Dept. of Physiology), 1999-2006.**
- Clinical Projects: Research into the connection between chronic alcohol use disorders and trauma; (1) The University of Louisville, Louisville, KY, 1998-1999; (2) MRMC, Flint, MI, 2000-2004; and (3) Sparrow Hospital, Lansing, MI, 2005-2007. Research into the effects of the use of rFVIIa on combat casualties in Operation Iraqi Freedom, 2004 (collaborator)**
- (4) Use of ETOH, MCV & GGT levels in the detection of chronic alcohol disuse syndromes, Lutheran Hospital, 2007-2012. Presented at IN ACS Chapter meeting, Indianapolis, April 2015 (the student presenting this received an award) – published in the American Surgeon, June 2016.**
- (5) Incidence of Undiagnosed Diabetes among trauma victims at an Urban Level II Trauma Center.**
- (6)TEVAR for Traumatic Rupture of the Aorta in a Community Level II Trauma Center: initial experience.**
- (7) Effect of adding a second trauma center to a fixed population and traffic fatalities (8) Increasing response time for surgeons to less-than-critical trauma patients does not adversely affect outcomes. Presented at IN Chapter of ACS (state meeting), Indianapolis, April 2015 (presenting student won an award for this oral presentation) – also submitted for poster presentation by a surgical resident to the AZ Trauma Association meeting in 11/2016 (regional meeting). Just published by the Journal of Surgical Research.**
- (9) Current Outcomes of Anterior Lumbar Interbody Fusion, Dallas, TX**

INTERNATIONAL EXPERIENCE: One semester (medical school, senior year) studying abroad at the Poliklinik, University of Munich, West Germany 1981. Medical mission to the Dominican Republic, Feb. 1997. Medical missions to Venezuela, August 2000 & 2001, Haiti 2012 (Dec). Deployments with US Army to Mosul, Kirkuk and Tikrit, Iraq in 2004 & 2007-2008.

LANGUAGES: English, German, some Spanish

RELIGION: Protestant

COMMITTEES MEMBERSHIPS/PAST & PRESENT:

Local: Surgical Review Committee - McLaren Regional Medical Center; 1989 - 1997
Surgical Review Committee - Laparoscopic Cholecystectomies -Hurley Medical Center; 1990-1992
Surgical Subcommittee, Pharmacy & Therapeutics, McLaren Regional Medical Center; 1990-1992
Multidisciplinary Trauma Committee - McLaren Regional Medical Center; 1993 - 2004; Chairman(93-04)
Surgical Member - Infection Control Committee, Genesys Regional Medical Center; 1994-1995
Emergency Room Quality Improvement Committee – MRMC; 1995 – 1997, 2002-2003
Physician Advisory Committee - Genesys Regional Medical Center; 1995-1996
Breast Cancer Subcommittee, Community-Wide Hospital Oncology Program (CHOP), Flint, MI. 1988-92
GLS Trauma Network Advisory Committee's Quality Improvement Committee – Chair, 1995 -1996
Surgical Invasive Procedures Committee - McLaren Regional Medical Center; 1999 - 2003
Special Care Committee - McLaren Regional Medical Center; 1999
Surgical Advisory Committee, Michigan State University Dept. of Surgery; 2003-2007
MSU Surgical Residency Research Committee; 2004-2007
MSU College of Human Medicine Advisory Committee; 2005-2007
UHCRIS/BIOMEDICAL IRB, Michigan State University; 2005-2007
PIPS Committee – Lutheran Hospital; Chairman, 2007 – to – date
TPOPPS Committee – Lutheran Hospital of Indiana; 2007 – to - date
Critical Care Committee – Lutheran Hospital of Indiana; 2007 – to – 2013
Quality Council – Lutheran Hospital of Indiana; 2009 – to – 2014
Lutheran Hospital Cancer Committee, 2010-2018

State: Issues Committee, Michigan Chapter ACS, 1996-97
Ad Hoc Nominating Committee, Michigan Chapter ACS 1997
Co-Chairman, Young Surgeons Subcommittee, Michigan Chapter, ACS 1997-98.
Council Member, Michigan Chapter, American College of Surgeons, 1996-1997
Michigan State Medical Society Third Party Payor Subcommittee, 1995-1996
Michigan Trauma Coalition, 1999 – 2007
American College of Surgeons, MI-Chapter, Committee on Trauma, 2000-to-2007
American College of Surgeons, MI Committee on Applicants, District #2, 1995-2005
Indiana State Trauma Care Committee, 2007-to-date
Indiana State Committee on Trauma Care; 2009 – to – 2018
Chairman, Subcommittee on Injury Prevention, INSCTC; 2010 – to – 2013
American College of Surgeons, IN Chapter, Executive Council, 2015 – 2018
American College of Surgeons, North TX Chapter, Council Member, 2019 – to - date

National: Flexible Endoscopy Committee of the Society of American Gastrointestinal Endoscopic Surgeons, 2003-to-2004; Military Committee of EAST, 2007-to-date; Publication Committee, Midwest Surgical Association, 2008-2009; EAST/EADS Traumapedia Project, Injury Prevention Cmte, 2008-2009; Ad hoc Public Affairs Committee, American Association for the Surgery of Trauma, 2008-2010. American College of Surgeons Committee on Trauma, 2012-2018
ACS Injury Prevention and Control Subcommittee – Dr. Kuhls, Chair; Holly Michaels, Staff; 2013-2019
ACS Trauma Systems – Dr. Winchell, Chair; Nels Sandal, Staff; 2012-2018

TEACHING POSTS: Undergraduate Clerkship Coordinator for MSU Surgery 620, Flint Campus, 1990-1992 & 2000-2002 (approx.); Lansing Campus 12/04-06/06. Trauma clerkship coordinator (Family Practice Program) and Preceptor (Orthopedic Residency Program), FWAME Family Practice Program, Lutheran Hospital, 2008. Trauma Clerkship Preceptor for IUSM – Fort Wayne & IU School of Medicine – Indianapolis, January 2010. Surgical Clerkship Coordinator for IUSM – Fort Wayne, 2013-to-date. Clinical Professor of Education, Department of Surgery, University of Cincinnati School of Medicine.

PRESENTATIONS LOCAL:

1. Mastectomy with Simultaneous Breast Reconstruction in the Treatment of Clinical Stage I & II Breast Carcinoma: Flint Academy of Surgery, April 1988 (co-presented with Dr.Tarrant).
2. Reinsertion of Dislodged Feeding Jejunostomy Tubes: (Poster Presentation, Frank B. Hodges Memorial Research Session).
3. Laparoscopic Cholecystectomy: Lab Practical, St. Joseph's Hospital Operating Room Personnel, Flint, MI, August 24, '91
4. Laparoscopic Cholecystectomy: Video presentation, Assoc. of Surgical Technicians (Local Chapter), Flint, MI, Sept 1991.
5. Laparoscopic Cholecystectomy: Panel Discussion, MSMS, Dearborn, MI.
6. Laparoscopic Cholecystectomies: Genesee Chapter of Medical Assistants, Flint, MI, December 1992.
7. Stereotatic Breast Biopsy: Panel Discussion, Breast Disorder Symposium, St. Joseph Hospital, Flint, MI, March 10, 1993.
8. Cancer of the GI Tract: CHOP, Flint, MI, April 28, 1997.
9. Laparoscopic Surgery: Channel 66 (TV), Flint, MI, 1994.
10. Small Intestine & Appendix: MSU - Basic Surgery Students, McLaren Regional Medical Center, Flint, MI, March 29, 1994.
11. Abdominal Surgical Findings: Advanced Trauma Seminar, MRMC, Flint, MI, July 28, 1994.
12. Laparoscopic Anti-Reflux Procedures (Invited Discussant) Pfizer-Roerig Pharm. Conf. on Special Surgical Symposium, Frankenmuth, MI, August 26, 1995.
13. Fungal Infections in Surgical ICU, Genesys Regional Medical Ctr., Flint, MI, Spring 1995.
14. Laparoscopic Cholangiography, McLaren Regional Medical Ctr., Flint, MI, December 8, 1996.
15. Laparoscopic Surgery, McLaren Regional Medical Ctr., Flint, MI, Sept. 13, 1997.
16. Abdominal Compartment Syndrome, AACN, Genesee County Skills Center, Flint, MI, Nov. 10, 1997.
17. DNA Flow Cytometry & Breast Cancer Prognosis, McLaren Regional Medical Ctr., Flint, MI, Dec. 4, 1997.
18. Distal Bile Duct Strictures, Surg. Grand Rounds, Univ. of Louisville, KY, 11/98.
19. ERCP and Endoscopic Drainage of Pancreatic Pseudocysts, Dept. of Family Practice, Jewish Hospital, Louisville, KY, July 23, 1999.
20. Breakthroughs in Pancreatic Stem Cell Research, Surgical Grand Rounds, MSU/MRMC, Flint, MI, October 25, 2001.
21. Surgery in Venezuela, Surgical Grand Rounds, MSU/MRMC, Flint, MI, August 28th, 2002-Viera presented .
22. Pancreatic Research, Diabetes Support Group, Flint, MI, Sept. 11th, 2002.

24. Chronic Alcohol Dependence and Trauma: a new Multi-institutional study. Surgical Grand Rounds, McLaren Regional Medical Center, Flint, MI, Nov. 21st, 2002.
25. Judge, Frank V. Hodges Memorial Research Day, Flint, MI, May 2003.
26. ACS-COT Trauma Center Verification Process: a review. Surgical Grand Rounds, McLaren Regional Medical Center, Flint, MI, May 2004.
27. Trauma at the Front. Surgical Grand Rounds, Michigan State University, Lansing, MI, Jan. 20th, 2005.
28. Trauma in Iraq. Critical Care Conference, Sparrow Hospital, Lansing, MI, Feb. 2nd, 2005.
29. Trauma in Iraq. Surgical Grand Rounds, McLaren Regional Medical Center, Flint, MI, Feb. 10th, 2005.
30. Trauma in Theatre, Surgical Research Day, Genesys Regional Medical Ctr, Grand Blanc, MI, Jul.13th, 2005.
31. Importance of screening for alcohol use disorders in trauma patients. Surgical Grand Rounds, Michigan State University, Lansing, MI, August 4th, 2005.
32. Medical, Surgical and Transportation advances in OIF. Grand Rounds, Lutheran Hospital, Fort Wayne, IN 22 April 2008.
33. Injury Prevention. Amish Safety Committee Annual Meeting, Grabill, IN June 2009 & 2010.
34. Initial Assessment of the Trauma Patient. Lecture presented to senior nursing students at Indiana University Purdue University, Fort Wayne School of Nursing, Fort Wayne, IN 4 Nov 2011.
35. Injury Prevention. Amish Safety Committee Annual Meeting, Grabill, IN June 2011 & 2012.
36. Chest Tube Management. Critical Care Conference, Lutheran Hospital, Fort Wayne, IN 12 Sept. 2013
37. Suspension Trauma. Corporate Safety Meeting, Steel Dynamics, Inc. Fort Wayne, IN 17 Sept. 2013

STATE / REGIONAL

1. Pitfalls in Ambulatory Surgery: Presented 1988, Michigan Chapter of American College of Surgeons Meeting, Novi, MI & Midwest Surgical Assoc. Meeting, MI.
2. Complications in Laparoscopic Cholecystectomy: Presented in 1991, Michigan State Medical Society, Dearborn, MI.
3. Judge, MSU, College of Human Medicine, Dept. of Surgery, 13th Annual Research Day Forum, April 10, 1997, Lansing, MI.
4. MidMichigan Chapter of the AAMT: Liver & Gallbladder Surgery, Sept 13, 1997.
5. DNA-Flow Cytometry does not predict recurrence in T1-2 Node Negative Breast Cancer; presented by Jon Johnson, 14th annual MSU Surgical Residency research day, March 12, 1998, Lansing, MI
6. Bradycardia upon Induction of CO2 Pneumoperitoneum, presented by Pamela Nourse; 14th Annual Surgical Residency Research Day, March 12, 1998, E. Lansing, MI
7. Endoscopic stenting of distal bile duct stricture secondary to chronic pancreatitis; Kentucky Society of Gastrointestinal Endoscopists, Sept. 1998, Louisville, KY
8. Teenage Traffic Fatalities in Kentucky: KY-Chapter-ACS, Louisville, KY, May 1999
9. Trends in the management of cholangiocarcinoma in the nineties, Midwest Surgical Association 42nd annual meeting, Galena, IL, August 17th 1999.
10. Advances in Laparoscopic and Endoscopic Surgery: Post-Graduate Course at the Southeastern Surgical Congress, Orlando, FL, Feb. 2000 (invited panel member)
11. Ileal phytobezoar in a dieting adolescent girl: presented by Gary Vercurysse (resident); 16th annual MSUSurgery Research Day, 23 March, 2000, E. Lansing, MI.
12. Judge for UHAF poster competition for the Frank Hodge's Memorial Research Day, 5 May 2000, Flint.
13. Judge, MSU, College of Human Medicine, Dept of Surgery, Annual Research Day Forum, 3 March 2000, Lansing, MI.

14. Trauma & EtOH Intervention, a novel approach, 18th Annual MSU Research Day, E. Lansing, MI, March 28th, 2002 (resident presented)
15. Identifying trauma patients with alcohol dependency: a statewide model. 52nd Annual Keyport-Gaylord Trauma Symposium, Gaylord, MI, June 13th, 2002 (resident presented)
16. Identifying Trauma Patients at risk for Chronic Alcohol Dependency. 19th Annual MSU Research Day, E. Lansing, MI, March 21st, 2003 (resident presented)
17. Moderator, 20th Annual MSU Research Day, East Lansing, MI March 17th, 2004.
18. Co-Moderator, Breakfast Session, EAST, Ft. Lauderdale, FL, January 13th, 2005.
19. Advances in Medical, Surgical and Transportation of War Casualties in Operation Iraqi Freedom II. KY State COT Trauma Symposium, Louisville, KY, 4 Nov. 2005.
20. Characterization of human pancreatic ductal cells that possess endocrine differentiation potential: a review. Central Surgical Association, Louisville, KY, 10 Mar 06.
21. Advances in Medical & Surgical Care and Transportation of War Casualties in OIF II. Tenth Annual Contemporary Issues in Trauma Nursing 2006, Sterling Hts, MI, 28 Apr 2006 (sponsor Wm Beaumont Hosp.)
22. Alcohol Screening and Brief Interventions by Medical Students. Presented by student at Michigan Chapter, American College of Surgeons, Traverse City, MI 17 May 2007.
23. What's an Hour's Lecture Worth? Presented at Midwest Surgical Association's 50th Annual Meeting, Nemaquin Woodlands Resort, Farmington, PA 08 August 2007.
24. Alcohol Screening and Brief Intervention in Trauma Patients. 2009 Michigan Trauma Symposium, Michigan State University, East Lansing, MI 20 April 2009.
25. Medical-Surgical Advances in Today's Battlefield Environment. Indiana Orthopedic Association, Fort Wayne, IN 24 April 2009.
26. Gallbladder Cancer – Experience in NE Indiana; still a therapeutic dilemma. Surgical Grand Rounds, Dept. of Surgery, University of Cincinnati, Cincinnati, OH 25 September 2013.
27. Resident Autonomy: How much is enough, and how much is too much? Forging a Trail for General Surgery Residents Emerging as Surgeons, Scholars, and Leaders; Jackson Hole, WY 11 January 2015.
28. Indiana State EMS Directors Conference, panel member: Stop the bleeding! Indianapolis, IN 26 Aug 2016
29. Increasing the number of Level II trauma centers in a given geographic area: is there a measurable effect on traffic fatalities? Central Surgical Association, Columbus, OH, 15-17 March 2018.

NATIONAL

1. Can General Surgeons Perform Colonoscopy Safely? Accepted for presentation at the Annual Meeting, U.S. Section of the International College of Surgeons, May 1990, San Antonio, TX (unable to attend).
2. Kinevac versus OCG in the diagnosis of Acalculous Cholecystitis; Poster presentation at the annual SAGES meeting, April 1-4, 1998, Seattle, Wash.
3. Endoscopic drainage for pancreatic pseudocysts, Central Surgical Association, March 3-5, 1999, St. Louis, MO (replaced as presenter by previous Fellow)
4. Persistent bradycardia in Laparoscopic Cholecystectomy; Poster presentation at SAGES, San Antonio, TX, March 24-28, 1999
5. Endoscopic stenting for distal bile duct strictures; SAGES, San Antonio, TX, March 24-28, 1999
6. Teenage traffic fatalities in Kentucky; Poster presentation at AAST, Boston, MA, September 17-19, 1999
7. Bile duct leaks in elective hepatic surgery; Poster presentation at SAGES, Atlanta, GA, Mar. 29-Apr. 1, 2000.
8. Cost comparison of endoscopic vs surgical palliation of obstructive jaundice in cholangiocarcinoma; Poster presentation at for SAGES, Atlanta, GA, 03/30, 2000.

9. Delayed laparoscopy as an alternative to laparotomy in complex liver injuries; Poster presentation at SAGES, Atlanta, GA, March 29- April 1, 2000.
10. Immortalized human pancreatic ductal epithelial cells with stem cell characteristics; Poster presentation at APA annual meeting, Chicago, IL, Nov. 1-2, 2001.
11. Immortalized human pancreatic ductal epithelial cells with stem cell characteristics: presented at the Surgical Forum, Alimentary Tract I, American College of Surgeons Annual Clinical Congress, San Francisco, CA, October 7th, 2002
12. Usefulness of a new psychological tool to assess trauma patients' willingness to change drinking behavior. Poster presentation, AAST, Minneapolis, MN, September 14th, 2003.
13. Usefulness of a new psychological tool to assess trauma patients' willingness to change drinking behavior: presenting at the Surgical Forum, Quality and Clinical Outcomes, American College of Surgeons Annual Clinical Congress, Chicago, IL, October 20th, 2003
14. Role of pancreatic stem cells in the emergence of pancreatic stellate cells and fibroblast-like cells in chronic pancreatitis. Poster presentation, APA, Chicago, IL, November 7th, 2003
15. Use of a single screening question for detection of alcohol dependence among trauma patients. EAST, Amelia Island, FL, 14 January 2004
16. Cigarette smoke components inhibited gap junctional intercellular communication and cell differentiation in human pancreatic ductal epithelial cells. IHPBA, Washington, D.C., 4 June 2004
17. Use of rFVIIa in penetrating trauma in OIF II. Poster presentation, AAST, Atlanta, GA, 22-23 Sept. 2005
18. Use of rFVIIa in decreasing chest tube outputs in penetrating trauma. Poster presentation, EAST, Orlando, FL, 12-13 January 2006.
19. Transabdominal Lesser Sac Flexible Peritoneoscopy with Pancreatic Biopsy - evaluation of procedure feasibility. Poster presentation, AHPBA, Miami, FL, 9-12 March 2006
20. Transabdominal Lesser Sac Flexible Peritoneoscopy. Poster presentation, SAGES, Las Vegas, NV, 04/21/07
21. Reliability of GGT, MCV, and BAL as a negative predictor of chronic alcohol misuse in trauma patients. Poster presentation, AAST, Philadelphia, PA, 10-13 September 2014
22. Endovascular Graft Repair in Trauma Thoracic Aortic Dissection at an Urban Community Hospital: a small series. Poster presentation, ASHP, Anaheim, CA, 7-11 December 2014.
23. Presentation to the Council of Society of Spinal Access Surgery, Inaugural Meeting, San Diego, CA 08/19
24. Quevedo S, Reed D, Chavarria J, Avramis IA, Rizkalla JM. "Incidental Peritoneal Opening During Anterior Interbody Fusion (ALIF) Not Associated with Increased Peri-operative Morbidity. LSRS Chicago 2024

INTERNATIONAL

1. Can General Surgeons Perform Colonoscopy Safely? Accepted for Poster presentation at the World Endoscopy Congress, March 1990, Atlanta, GA.
2. Can General Surgeons Perform Colonoscopy Safely? Accepted for presentation at the 1990 XXVII World Congress of the International College of Surgeons, Sept 1990, Sao Paulo, Brazil (unable to attend).
3. Kinevac versus OCG in the diagnosis of Chronic Acalculous Cholecystitis, Poster presentation, World Congress of Surgical Endoscopy, Rome, Italy, June 1-6, 1998.
4. Persistent Bradycardia from CO₂ pneumoperitoneum during Laparoscopic Cholecystectomy; Oral Presentation, World Congress of Surgical Endoscopy, Rome, Italy, June 1-6, 1998.
5. Bile leaks in elective hepatic surgery. Accepted for presentation at the 7th World Congress of Surgical Endoscopy, Singapore, June 1-4, 2000 (unable to attend).
6. Bile leaks in elective hepatic surgery. Oral presentation at E.A.E.S., Nice, France, June 29th, 2000.

7. Lecture at Hospital Dr. Americo Babo in Puerto Ordaz, Venezuela for the Bolivar State Chapter of the Venezuelan Surgical Society, August 2000.
8. Lecture on Trauma Care in the U.S. for the Department of Surgery, Hospital Guyparo, Puerto Ordaz, Venezuela, August 14th, 2001.
9. Advanced Trauma Course, Director, Forward Operating Base Warrior, Kirkuk, Iraq, October 20th, 2004.
10. Advances in Medical, Surgical and Transportation Care in OIF II, Tikrit, Iraq, January 14th, 2008.

RESEARCH GRANTS (includes applications):

Brownell Fund for Breast Cancer DNA Research, (\$5500 -1992) Centocor Grant used for Breast Cancer DNA Research, (\$4000 – 1993)

McLaren Auxiliary Group Research Grant for Laparoscopic - C02 Insufflation Study (\$1500 - 1994)

McLaren Auxillary Group Research Grant for Kinevac-OCG comparison study (\$1500- 1996-98)

McLaren Research Foundation Grant for Pancreatic Stem Cell research for cancer (\$107,796.00, July 2001-June 2002) (Principal Investigator)

Michigan Life Science Fund for Human Pancreatic Stem Cell research for diabetes treatment, Grant GR-178, \$140 000, March 2001 - February 2004. (co-investigator)

McLaren Research Foundation Grant for the study of Trauma victims, incidence of alcohol use and assessing readiness to change, \$15,125, Jan. 2002 - Jan. 2003. (Principal Investigator)

Benevolent gift from Mr. & Mrs. Gary Eaker of Charlotte, N.C. for pancreatic stem cell research, \$30,000, 12/23/03. (Principal Investigator)

Associate Dean for Research, MSU College of Human Medicine's grant for brief intervention in trauma patients. \$1000, 09 Sept. 2006.

Application: Cyber Enabled Engineering Systems; MSU SPG Application # 07-SPG-Full-1026 (\$600,000 – CoPI), submitted 12 April 2007[Not awarded]
